Twenty-one seniors were welcomed into the Alumni Association at the annual alumni banquet held on June the fourth, held in the dining hall at the First Methodist Church in Dayton. Ed Lieb, '43, was the toastmaster for the occasion and served well as he introduced Marjorie Westrom for a piano solo, Helen Parden for a reading and Lloyd E. Fish for a vocal selection. The tables, favors, and decorations were delightful in their pastel coloring of napkins, flowers and candles. The alumni banquet was a fitting beginning of the commencement activities when so many alumni from local area and from a distance gathered about the banquet table. Beautiful weather and pleasant fellowship characterized the whole commencement season. Besides out of town trustees and alumni, a large number of parents and friends of the Class of '49 came for the baccalaureate service, staying through the entire activities, the total out-of-town visitors numbered around 90. Pastor Thornton's message to the graduates at the baccalaureate service was especially good and that brought by Rev. Bacon at the commencement service was likewise a blessing, both messages being evidently blessed by the Lord. Preceding the senior vesper program, Beatrice Morgan presented a lovely organ recital in the Memorial Chapel. The chapel was packed to capacity for the commencement service. And so school is out again! Hurrah!
WHAT SHOULD BE QUOTA FOR BRYAN ALUMNI?

We alumni here at the "home base" are just as anxious as can be that all former students and alumni give the same prayerful and financial cooperation as is being requested of students, staff members, trustees and contributing friends. In the annual meeting of the Board of Trustees plans were formulated with the hope and prayer that the Memorial Building will be completed by the end of 1950, the anniversary year—25 years since Mr. Bryan's death and 20 years since the opening of school in 1930. You and I have profited already because of the spiritual atmosphere and Christian education that was afforded us on Bryan Hill in the class room and out, and now we are out and can do our part toward encouraging those who are holding forth on Bryan Hill. How can you help? You can give some of the Lord's money entrusted to you toward finishing the building. . . you can recommend Bryan to prospective students. . . you can advise your friends of the very worthwhile work which Bryan is doing. Which can you do, which will you do?

Alumni Officers for the year:
Beatrice Patson '44, Pres.
Lois Weyhe '48, V. Pres.
Grace Levengood '42, Sec.-Treas.

Before examinations for the last six weeks of the school year, we enjoyed fellowship with J. Holmes Smith '40, who is on furlough after a term with The Presbyterian Mission in Luebo, Belgian Congo, Africa. Jack spoke to the F.M.F. group and also in chapel.

Recently visitors included Rankin Tyler ex'49, with his bride—both are students at the Southeastern Bible School in Birmingham, Alabama; also Jerry Teeter '48 and bride Lillian Beasley '61, on their way to their home in Piqua, Ohio.

Here's a report on the postal card that was included in your last issue of BRYANETTE. Four have asked to be removed entirely from the list. A large number indicate their desire to have BRYANETTE every month and a few more than that group indicated six times a year was sufficient. Thirty-five people said "whenever convenient"—or as "often as possible." "We enjoy it anytime." We have appreciated the encouragement from your cards showing that even though some of you don't write—"you do read BRYANETTE and you do want to keep informed about Bryan and all BRYANETTES through its columns. So—our conclusion was to publish regularly every other month, and occasionally an extra issue when there's lots of news. And now, do write us about yourself, your job, your family, the Lord's direction and blessing—it is all of interest to your classmates.

Howard Koc '40, has recently been awarded a fellowship for one year's study at the American School of Oriental Research in Jerusalem.

Former students and alumni who have been Campus visitors since the last BRYANETTE include: Faith Shively ex'52, Catherine Marshall '48, Grace Harer ex'49, Helen Parden '48, Lester ex'46 and Genevieve ex'46 Pifer, Mary Lisee '47, and at Commencement time: Donna Bochtel ex'48, Marguerite Walker ex'49, Mary McAllister '36, Arlene Christian ex'51, Elaine Christy '48, Catherine Marshall '45, Ed Lieb '48, Helen Parden '48, Ruth Ella Williams '48, Richard Mowrey ex'44, William Caraway ex'50, George ex'49 and Marjorie ex'49 Westrom, Carol Williamson ex'50, Marion Denton ex'34, Beatrice Morgan '45, Ruth '43 and Mary ex'51 Hooks, Betty Birch '45, U. J. Beecher ex'50.

"God Led to Victory" is the title of a testimony in the May 28th Brethren Missionary Herald by Mrs. Adam Hager. Adam ex'37, in Grace Seminary and Jean ex'47 is working in the Herald office. If you haven't read it, you must.

Among the graduates at Grace Seminary this spring was Edward D. Miller '46. "Eddie" was editor of the annual this year—the first annual to be published and it's a good job too. Eddie and Eileen and Carol Ann are turning their facies toward Brazil as the place of the Lord's appointment for them.

Northeastern chapter of the alumni continues to function and meet regularly—likewise the Northern Illinois group. Rumors float this way that some of the Floridians are interested in getting together... Who's next?

"This letter is being written in a row boat out in the middle of the Lake so if you can't read the writing just blame it on Ellsworth Balzer who is keeping the boat in motion. I've been having a busy life recently. Much work must yet be done in the library. I'm finding the library work quite interesting and am learning a little more about it everyday. I'm looking forward with great anticipation to going to college in July. It will be fun to have some more rough edges taken off my English. D.V.B.S. during June will also be a joy and privilege."
